**Focus:** What to do when a parent wants to withhold information from a CYP about their health/care?

**Question 1:** Is denying a CYP information about their health or care a violation of their fundamental rights?

**Question 2:** How do we deal with differing opinions between a parent and a professional about what a CYP is informed of?

**Question 3:** How can we promote appropriate CYP inclusion when a parent doesn't want a CYP to know information about the CYP's health/care?
