

## Twitter chat report 27/03/2017 8-9pm

Focus: child and young person-centred communication

### Questions

- 1) How does CYP-centred communication affect experiences of care?
- 2) What ideas and resources can you share from recent #PX2017 #PENNA2016 and #ExpofCare events?
- 3) What specific phrases do you use that improve CYP #ExpofCare?
- 4) What language can we use to open up difficult conversations?

Tweet statistics (recorded between 7pm and 10pm to allow for the pre and post hour chat)

353.853K impressions
